Troops Drive Strikers From Packing Plant

St. Paul Mob Marches On State Capitol

South St. Paul, Minn., May 15 (AP)—Mobs of pickets and sympathizers in the packing house workers strike, driven from the streets here today by national guard bayonets were told by Gov. Luther Youngdahl that "you can't win a strike by anarchy."

Milton Siegel, St. Paul field representative of the Packing House Workers Union, led the march on the state capitol. Siegel said "use of the national guard to break the strike is a disgrace to the state of Minnesota."

"When uniformed troops push citizens around with bayonets as we have done this morning, then you have military rule whether the governor calls it that or not."

Siegel's statement came after 600 guardsmen, bayonets fixed, swept down streets near the Swift and Company entrance, dispersing the crowd. A national guard proclamation read to the gathering said assembly of more than four persons would be considered unlawful.

Two weapons carriers, each mounting four 30 caliber machine guns and carrying eight troops, entered the state capitol after national guard troops had dispersed the crowd.

Five hundred persons swarmed at the capitol, called out yesterday by the governor, cleared the way for entry of more than a score of workers' automobiles to the strikebound Swift and Company plant.

Several skirmishes developed during the morning as an estimated 300 persons collected at Concord street and Grand avenue, the town's main intersection. Guardsmen battled three men, one of whom attempted to seize a guard's rifle.

Standing on a stool in his reception room, the governor told the group "you can't win a strike by anarchy—you cannot win a strike by violence."

The governor referred to the raid on the Cudahy plant at Newport last Thursday.

About 200 men, most of them carrying clubs, entered the plant, chased a number of workers housed in the plant and damaged the interior.

"As long as I am governor I will not permit anything like that to happen," Youngdahl said.

"No self respecting man sitting in the governor's chair would permit law and order to be broken down."

"The national guard is out for only one purpose to preserve law and order and prevent anarchy."

"Public Against Violence."

"You people haven't got the public on the side of violence," the governor said, adding "keep your shirts on—keep your feet on the ground. You cannot win a strike by anarchy."

The governor told the group he had called out the guard in the CIO Union Packing House Workers strike at South St. Paul and neighboring Newport as a "last resort."

Brig. Gen. Wendell Westover, army executive for reserve and ROTC affairs, declared that the nation "will either remain so strong that war will be prevented, or we will perish."

"Aggressive intent does not balk at war; it merely fears defeat," he said in an address prepared for the 22nd annual convention of the Illinois department, reserve officers' association of America.

"Any future war will create a tremendous demand for trained power at the outset."

"Under our military policy of a small regular establishment, no potent force is possible except that our reserves exist in reality and in readiness. Our pre-war concepts of reserves are not adequate."

"Today, we need complete units, trained, equipped and instantly available. We cannot get these at the moment."

General Westover declared that preparedness was "the only method" of insuring peace "that we have ever tried."

MOTHER AT 76
Istanbul, Turkey, May 15—(AP)—Istanbul newspapers said a boy was born today to the 76-year-old wife of 29-year-old Ahmet Akim.

Heavy Buying Floods Markets Second Day

New York, May 15 (AP)—The heaviest trading in 15 years hit the stock market today but Friday's spectacular spurt in prices was slowed to a walk.

Wall street was in a mood that recalled the turbulent days of pre-crash 1929.

A bull market was on the move, the belief of investors and speculators all over the country. Public interest whipped up to white heat.

Prices advanced today at the close, though, were limited to \$1 a share or less in most cases. Gains in early trading ran to around \$2. The flash advance on Friday had boosted leading issues \$1 to \$7.

Total sales of 2,590,000 shares were the largest for any Saturday since the "whiskey market" of July 22, 1933.

Truman Vetoes Bill Providing Loyalty Check On AEC

Washington, May 15—(AP)—President Truman today vetoed a "necessary and wise" bill providing for an FBI loyalty check on Atomic Energy Commission employees.

He called the legislation "an unwarranted encroachment of the legislative upon the executive branch."

Senator Knowland (R-Calif.), sponsor of the bill, said he would ask the Senate to override the president.

By vetoing the measure, he said, Mr. Truman has lowered an "iron curtain" on information the Senate ought to have.

The bill passed the Senate April 12 on a voice vote. The House approved it May 3 by unanimous action. A two-thirds majority in both houses is necessary to make a bill law over the president's veto.

Under present law, FBI investigations are required of all Atomic Energy Commission employees who are not subject to Senate confirmation.

Senator Hickenlooper (R-Iowa), chairman of the joint congressional committee on atomic energy, declared that congress ought to override the veto, adding: "I feel confident that it will."

This was the last day the president had to act on the bill. Neither house was in session. He sent his veto to the secretary of the Senate.

Shriners Attend Colorful Program In Springfield

Springfield, Ill., May 15—(AP)—A colorful program in the Illinois state fair grounds coliseum tonight closed the all state ceremonial of the Mystic Shrine.

More than 5,000 nobles attended the ceremonial at the fair grounds where a class of some 300 candidates was initiated.

Feature of tonight's entertainment was the white horse mounted patrol of Abi Bekt Temple, Sioux City, Ia. The patrol also took part in a parade this afternoon through Springfield's business district.

Gov. Dwight H. Green and U. S. Senator C. Wayland Brooks were introduced during short ceremonies preceding the evening's entertainment. Others introduced included Imperial First Ceremonial Master Harvey A. Beffa of St. Louis, Imperial Marshal Frank S. Land of Kansas City, Mo., and Mayor Harry Eielson of Springfield.

The 32 delegates, if all are seated, will cast a total of 20 votes.

While the convention did not specifically instruct the delegation to back Mr. Truman for the nomination it adopted without debate a resolution which said:

"We believe that for an enduring peace for all the world and for the good of the United States of America, President Truman must be elected president next November."

Iowa Democrats Endorse Truman
Des Moines, Ia., May 15—(AP)—Iowa Democrats endorsed President Truman today at a state convention in which they selected 32 delegates to the party's national convention at Philadelphia.

The 32 delegates, if all are seated, will cast a total of 20 votes.

While the convention did not specifically instruct the delegation to back Mr. Truman for the nomination it adopted without debate a resolution which said:

"We believe that for an enduring peace for all the world and for the good of the United States of America, President Truman must be elected president next November."

American Officials Re-Examine 'Peace Contest' With Russ

Washington, May 15—(AP)—American officials have begun to re-examine this week's "peace contest" with the Soviet Union to determine whether it offers real hope of easing the conflicts of the cold war.

There is belief—and hope—that Generalissimo Stalin and the other men who run the Kremlin are doing the same thing.

Some of the capital's most experienced diplomatic officials say that if there is any substantial basis for beginning to talk to the Russians, the critical issues this is the time that it will be discovered and explored.

Much of "the public hullabaloo which began last Monday night has merely served to obscure the real problems. Practically all of the statements issued here were designed to get those problems into focus again."

The end result is that the door to peace in the cold war, which Ambassador W. B. Smith and Soviet Foreign Minister V. M. Molotov opened so gingerly, is still open. Some American diplomats are convinced that before it is closed again, or possibly opened further, additional moves must be made.

That is about the most that can be said at the moment for the small amount of optimism left with the world from the wave of excitement with which the world greeted the Soviet announcement of Monday night that the Kremlin had "accepted" an American "proposal" to discuss and settle outstanding difficulties.

The fact that the Russians made the public announcement and that the United States contended no such proposal had in fact been made turned secret diplomatic negotiations into a world wide contest between the Soviet Union and the United States over the issue of peace.

It was probably inevitable that this should happen since every subject of common concern which they have sought to discuss for the past two and a half years has become increasingly an issue of public propaganda and debate.

Ford Announces Wages To Be Held At Present Levels
Detroit, May 15—(AP)—The Ford Motor Co. served notice on the CIO-United Auto Workers today that "public security" demands prices—and thus wages—be held at their present levels.

The company therefore in effect told the union that it did not intend to meet UAW demands for a 30-cent wage increase.

The message was directed to the UAW at a time when 75,000 Chrysler workers were out on strike over demands for a third round of post-war pay raises.

But the Ford announcement, in the form of a letter to the UAW by Labor Relations Director John S. Bugas, said "top priority" should be given in this year's wage talks to "public security" rather than "union security" or "company security."

"We think the American people are tired of negotiations which seem to have no other aim besides gain for all parties except the consumer," Bugas wrote Ken Bannion, national Ford UAW negotiator.

Bugas accused the union of not meeting the objective of "public security" because its demands would raise prices and as a result bring "decreased buying power for the consumer's dollar."

Specifically, Bugas proposed that "substantial" wage differentials between Ford and its competitors be eliminated. Ford average rates were reported approximately 10 cents higher than Chrysler and General Motors averages.

Alton Man Granted Freedom After 18 Years In Prison
Springfield, Ill., May 15—(AP)—The state supreme court has freed Alfred R. Wirtz of Alton, Ill., who spent half his life in prison.

The tribunal allowed a motion by Attorney General George F. Barrett to reverse an Alton city court decision which sent Wirtz to Pontiac reformatory 18 years ago. Re-wirtz now is 36 years old.

Attorneys for Wirtz contended the lower court had erred in not fully explaining to him the consequences of entering a plea of guilty.

Wirtz was indicted in 1930 for alleged crimes of burglary and larceny. Specifically, he was accused of stealing a diamond ring valued at \$1,000. He pleaded guilty in the Alton court.

His attorneys said the record of the trial court "discloses no crime to which he pleaded guilty, no explanation of the consequences of his plea."

They added that the record failed to show a judgment convicting him of any particular crime or a sentence of any definite number of years.

Wirtz already has served more than the maximum term for grand larceny, his attorneys said.

Arabian Armies Invade Palestine, Bomb Tel Aviv

Haganah Says Troops Enter On 3 Sides

Tel Aviv, Israel, May 15—(AP)—The army of Israel said its new-born state was invaded today from the north and south, shelled from the east and bombed and machinegunned from the air.

Haganah, now the army of a new nation already recognized by the United States, said the Lebanese army attacked across the border from the north, the Egyptian army spearheaded the Negev desert, and Trans-Jordan's Arab legion shelled four settlements on the Jordan valley frontier.

"The Egyptian army said two columns of troops invaded southern Palestine and one destroyed the Jewish settlement of Al Dangor, 13 miles southeast of Gaza. This would be in the territory of Israel, as defined in the United Nations decision on partition."

Arab City Falls
The Cairo newspaper Al Assas said Gaza, Arab city 20 miles inside Palestine on the coast, had fallen to the Egyptians.

A dispatch from Beirut said Lebanese troops had captured Mahkya, a town a mile inside Israel on the northern frontier.

Advance patrols of the Syrian army grabbed a small bridge over the Jordan river and knifed into the area south of the Sea of Galilee, also inside Israel territory on the east, a dispatch from Damascus said.

Further south King Abdullah's Trans-Jordan Arab legion crossed the Allenby bridge, occupied Jericho and took military control of a large area in the Judean hills 20 miles northeast of Jerusalem, advices from Jericho said.

Fourth Air Attack
Tel Aviv, temporary capital of Israel, underwent its fourth air attack this afternoon and Haganah ordered the entire city blacked out tonight.

All attacks, including the first by three to six light planes, were on the outskirts. They did not interfere much with Jews celebrating the first Sabbath in almost 2,000 years on soil they claimed as their very own.

Israel received its first immigrants since becoming a state—300 European Jews who arrived in Haifa from Genoa. They held British visas, but were given Israeli entry permits in their stead.

Foreign planes, not officially identified, also attacked the northern and southern sections of the Jewish state, Haganah said.

Arabs Take 4 Settlements
Arab legion artillery smashed at four settlements, Ein Gub on the eastern shore of Tiberias and Ashdot Yaacov, Shaar Hagolan and Gesher farther south, Haganah broadcasts said. All these places are in Jewish Palestine as delineated by the U. N.

The legion was said also to have captured a power plant near Nahariya, a town which is in Trans-Jordan.

Lewis Begins Coal Contract Talks Tuesday
Washington, May 15—(AP)—John L. Lewis begins negotiating key contracts with the soft and hard coal operators next week.

Whether the nation faces another mine shutdown after June 30, when the bituminous contract expires, may be foretold better a week from now. By then the industry will have an idea what Lewis wants.

If he wants more than the operators will give, it is possible that July will find the government starting "National Emergency" proceedings anew under the Taft-Hartley act, seeking a new injunction like the one which now holds the miners in restraint.

Unions and industries far removed from the coal pits will be watching Lewis' every move when negotiations start Tuesday. T. T. success or failure of his drive for a better contract may influence their own wage negotiations.

Lewis has until June 30 to make a bituminous coal contract, and until July 10 to close a deal with the Anthracite industry. The former covers about 400,000 soft coal diggers; the latter about 80,000 Eastern Pennsylvania hard coal workers.

CBS Correspondent Missing In Greece
Athens, May 15—(AP)—Two Athens newspapers reported today that CBS Polk, Columbia Broadcasting System correspondent, had been missing from his hotel in Salonika since Sunday.

The dispatches quoted police as expressing the belief Polk was making an effort to contact guerrillas.

Two Miners Rescued After 60-Hour Hunt

Shamokin, Pa., May 15—(AP)—Two miners were rescued today after a 60-hour entombment in a flooded mine shaft. Their companion presumably perished.

The two bedraggled survivors, their eyes bandaged against the too-bright light of dawn, were brought up from their 175-foot deep prison by volunteers who had camped on the sleepless hunt for three days.

"We almost gave up hope," said the rescued men, Edward Heck, 42, and Peter Gorton, 35, both of Shamokin.

Found Unharmed
They were taken to Shamokin state hospital for rest, unharmed by the long vigil underground in their own small coal pit.

By nightfall, searchers had moved about two feet of water from the pit and had investigated all the tunnels through which their companions were working—they found themselves dry and safe in a tunnel sealed at both ends by murky water.

The searchers said Bashore apparently was caught in the first rush of water Wednesday and buried in an 80-foot mine where mine rescue normally is piled.

Tried To Dig Out
"Heck and I spent the first four hours trying to dig our way out," Gorton said. "We went to the water edge and dipped our arms in to determine its depth."

"As time wore on, and we got cold, we kept huddled together to keep warm. We slept back to back."

Heck and Gorton said an explosive charge set off to loosen a section of coal Wednesday afternoon unleashed a torrent of water that flooded their small working shaft.

UN Calls Session On Israel War
Cairo, Egypt, May 15—(AP)—The Arab armies of Egypt, Trans-Jordan, Syria and Lebanon supported by artillery, planes and light armor spearheaded a coordinated attack on Zionism.

The Egyptian defense ministry said the vanguard of regular Egyptian troops reached Gaza tonight, while Egyptian volunteers occupied the hills of Ali Miniar on Gaza's outskirts. Gaza is a Mediterranean port town, 20 miles inside Palestine and situated on the main coastal railroad.

A ministry communique said Egyptian artillery destroyed the settlements of Al Dangor and Kfar Jom in the Gaza area. Al Dangor is 13 miles and Kfar Jom 10 miles southeast of Gaza.

Abdullah Occupies Jericho
King Abdullah's Trans-Jordan Arab legion, moving in a column of armored vehicles, crossed the Jordan on the Allenby bridge and moved into eastern Palestine. They occupied Jericho, 20 miles northeast of Jerusalem, and a broad area of the Judean hills where an Arab population predominates.

Syrian troops, said dispatches from Damascus, also crossed the Jordan just below the Sea of Galilee and occupied a small bridgehead inside Palestine. A 20-mile-long convoy began streaming into the country about 2:30 a.m.

Lebanese Claim Village
Lebanese troops claimed the capture of the village of Mahkya, a mile inside the northern Palestine frontier.

Egyptian fighter planes and bombers attacked two other Jewish settlements and bombed what the Egyptian communique said was a military airport at Tel Aviv, capital of the newly proclaimed Jewish state.

CIO Steelworkers May Be On Strike Before Year's End
By The Associated Press
CIO President Philip Murray said today that more than 50,000 steelworkers may be on strike before the year's end. He told a Boston convention of the CIO United Steelworkers that between now and December, contracts covering 107,000 steelworkers will expire with steel factoring plans.

"It is reasonable to assume that 50 per cent of them will be fighting with their backs to the wall to preserve their union," he added and added that they might be forced into the coming year.

The convention amended the union's constitution by voting to bar communists from office in the union. Whether or not this action will be used in preparing a test case on the constitutionality of the Taft-Hartley law's non-communist pledge will be considered tomorrow by the union's executive board.

No move toward settlement was made as the strike of 75,000 CIO United Auto Workers against the Chrysler corporation entered its fourth day.

Meanwhile President Truman, awaited a report on deadlocked wage negotiations which threatened a 42 state walkout of 25,000 long distance phone operations within a week. Federal mediators prepared the report yesterday after a meeting in New York with long lines officials of the American Telephone and Telegraph Company.

Child Snatched From Crib, Slain
Blackburn, England, May 15—(AP)—A three-year-old girl was snatched from her hospital crib early today and slain in a field 200 yards away.

Discovery of the body of June Ann Devereux, her head battered and her thin nightdress ripped, touched off an intensive manhunt by police using hounds.

Police reached the hospital in answer to a telephoned report that a man was trying to get into the ground floor children's ward. They discovered that June, recovering from pneumonia, was missing from her high-sided crib.

Identify Bodies Of Crash Victims
Anchorage, Alaska, May 15—(AP)—Two P-51 fighter plane pilots whose planes crashed into the waters of Knik Arm after a steep power dive were identified by Elmendorf Field public information officers today as Capt. E. Lewis Mundell and Lieut. Richard J. Hipsack.

Hipsack, who served in the European theater, is survived by his widow and son, 2, living in Anchorage, and by his parents, Mr. and Mrs. Sam Hill of Aurora, Ill. Hipsack's body has not been recovered.

Miner Drowns At Staunton
Staunton, Ill., May 15—(AP)—A miner was drowned today when a bin holding 100 tons of coal collapsed and knocked him into a water tank. Three other men were injured.

The accident happened at Mine No. 7 of the Consolidated Coal Co. The bottom of the bin at the coal washer gave way. John Lotter, 31, was knocked into the washer's tank. Inhalator squads worked over him for several hours in vain.

O. M. Bird, 71, washer boss, suffered head injuries, cuts and shock. He was buried neck deep by the coal.

OUR WORN OUT ROADS

(Kewanee Star-Courier)
There is nothing new in the need of a newly engineered road system, but Illinois has been reluctant to face the facts. A comprehensive study of the requirement for new highways is nearing completion by the state division of highways. A recent conference at Springfield of the governor's commission had a preview of Illinois' road construction needs. The rising rate of automobile accidents on inadequate highways has forced Illinois to step up restoration of its primary highway system. Unfortunately the cost of replacement is almost prohibitive in price today, nearly \$100,000 per mile.
Illinois took the leadership in progressive concrete slab construction in the 1920s, then let its leadership slip through lack of maintenance and funds. In the interest of highway safety and service to the state, the Illinois road system must be redesigned and rebuilt. It has exceeded its 25 year life expectancy for the most part. If the Green administration had not been so intent on bonus legislation at the close of the war, Illinois could have financed a long range highway construction program. Instead, the state's bonding capacity and treasury surplus went for political objectives.
Now the urgency of a new road program cannot be ignored much longer. Our roads can be held together by cheap topping and patchwork replacement for a time, but the old slabs are breaking up faster than anyone realizes. It's time Illinois asserted its leadership in highway construction once more.

Americans' Accumulated Savings at the end of 1945 were \$135 billion more than they were five years before.

New Circuit Gives Amazing Hearing Power

Utilizing unbelievably tiny tubes and several amazing wartime electronic discoveries, one-piece hearing aid gives almost 6 full octaves of nearly normal hearing. Cord noise, static and distortion are virtually eliminated.
Precision manufacture enables almost 200 miniature parts to be mounted in a case only 4 inches long.
Deaf will be able to hear more and better with this powerful new midsize instrument weighing only 6 oz.
The new aid may be seen and tried at the TEELEX Hearing Center, 228 E. Morgan St. or phone 658W. for a free demonstration in the home.

Service Saturday Unites English Girl, Local Man

Marriage vows were exchanged Saturday morning by Miss Barbara Angela Havies and Kenneth Angelo in a ceremony performed by the Rev. W. Brook Martin at his home, 221 North Webster avenue.
The bride, formerly of London, England, is the daughter of Mrs. Mary Elizabeth Havies of London, who is now visiting in this city.
Mr. Angelo, the son of Mr. and Mrs. Frank L. Angelo of 705 North Main street, recently returned from 23 months in the service.
Both Mr. Angelo and his bride are employed at the National Enameling and Stamping Company. After a short wedding trip they will be at home to their friends at 703 South Diamond street, Jacksonville.

A Few Minutes Before The Concert

Just before he walked onto the stage at Jacksonville high school for his brilliant concert Friday, Thomas L. Thomas, baritone singer of radio fame, took a minute to relate an amusing incident to two of the officers of the Civic Music Association, which sponsored his appearance here. Pictured with him are Mrs. S. G. Baker, secretary of the association, seated, and Mrs. G. O. Webster, vice president, standing.
After his program, officers of the association and other local musicians met Mr. Thomas at a reception given by Mrs. Webster, Mrs. Lois Hardin and Mrs. Helen Brown Read at Mrs. Read's home.

Radio Star Calls Singing Career 'Gratifying, But Not Glamorous'

By Helen Duffner
Suave and sophisticated before a concert audience, Thomas L. Thomas is one of the most completely natural persons you could meet off stage. A top radio star today, he looks upon his brilliant singing career as "gratifying, but unglamorous" and upon himself as "just an ordinary Joe."
The tall, fair-haired star of Manhattan Merry-Go-Round and the new Borden show is, believe it or not, a bachelor. Gracious and unassuming, he seems to utterly lack the "artistic" temperament and to have the celebrity build-up. Much of his conversation is serious, but he has a good sense of humor and possesses a modest disposition that everyone finds charming.
Leads Busy Life
Talking with him a few minutes back stage before his concert and during a reception held in his honor afterwards, we gathered that he is one of the busiest people in his profession. The past season, with 58 concerts all over the country and a weekly radio show from New York, left little time for anything but music.
"I love concert work," he said, "but it requires a very rigid schedule. Getting back to New York every week end has kept me coming and going. This is the last of the season for me, and I must admit I'm pretty tired." The singer left Jacksonville early Saturday morning for New York, where he had to learn and rehearse his Sunday night show.
A Native Welshman
Asked what was behind his singing career, the star said "it's been phenomenal, but a slow gradual climb that took lots of hard work."
"I can't remember when I wasn't doing something in music. You see, I was born in South Wales, the son of a miner. For the Welsh, music represents a national pastime, and the Welshman has a special feeling for vocal music. The smallest town has at least one Oratorio Society, often two or three, and everyone is a member."
"Many a time have I seen the men of our town come home from a day's work in the mines, eat their supper tidily up, and then set out to walk some six miles to a rehearsal. All evening, they would work at the 'Messiah' or the 'Elijah' polishing up phrasing or expression tones, and have a wonderful time at it. Then about 1 a.m. they'd start home, and at 6 a.m. be up ready for the next day's work in the pits."
Come To America At 10
When Thomas L. (the L stands for Llynfw, and the duplication of first and last names is a Welch custom) was 10 years old, his family moved to America, where they settled in Scranton, Pa. As a boy Thomas L. studied music with his father, Josiah, a professional musician in this country.
"I sang in all the amateur shows and school productions but after graduation set out to become a mechanical engineer and draughtsman. I kept on singing for the fun of it and eventually the lure of music got me. In 1934 I went to New York and began an attack on the airwaves. I wasn't easily discouraged, because it was after 96 auditions that my first solo spot came."
The star's brother, David E., is a singer and actor now playing on Broadway, and his sister, Gwyneth, is "the local nightingale" in Scranton.
Just Two Hobbies
T. L. T. has two hobbies—horseback riding and his farm, which is located near Clinton, New Jersey.
"During the winter concert season I don't have much time to spend there. But I raise vegetables and chickens for my own use and so in for cattle on a professional market basis. I've been too busy to take full charge of the livestock," he said, "but I do maintain a paternal interest in them."
He's also interested in history and told us that as he was enroute to Jacksonville, he didn't miss the chance to visit Lincoln's tomb as he went through Springfield. "It was impressive, he said."
He Liked Our Town
Speaking of Jacksonville, Mr. Thomas said he was surprised and pleased at the great interest among townspeople in music and the other arts. "Yes, Jacksonville is an unusual town, I like it."
And the members of the Civic Music Association like Mr. Thomas. If you don't believe it, just ask them!

Evelyn Farmer To Represent Ashland FHA At Convention

Ashland—Miss Evelyn Farmer has been chosen to represent the Future Homemakers of America of the Ashland High school at the first national F.H.A. convention to be held at Kansas City, Mo., July 5 through July 9.
The chapter has applied for permission to present a demonstration at the state fair. They will receive twenty five dollars to cover expenses.

Dr. and Mrs. George E. Moore and daughter, Debby, and the doctor's father, George E. Moore, have returned to their home in Milwaukee, Wis., following a visit here with Mrs. Moore's parents, Mr. and Mrs. Roy Shortridge.
The Rev. Len Faulk, pastor of the local Christian church and his family have moved here from Moweaqua, Ill., and have settled in the church parsonage.
The Rev. Mrs. Alfred J. Wood of Springfield will speak at the Sunday night services at the First Church of God.

TO WED TEACHER

DOROTHY R. CRABTREE
Mr. and Mrs. Elmer Crabtree of Jacksonville rural route one, announce the engagement and forthcoming marriage of their daughter, Miss Dorothy R. Crabtree, to Laurence E. Rueff, son of Mrs. Edward Rueff of Decatur and the late Edward Rueff.
The wedding will take place in Champaign in June.
Miss Crabtree is a senior at the University of Illinois where she is majoring in home economics. She is a member of Kappa Beta.
After graduating from the University of Illinois, where he was a member of Gamma Alpha, Mr. Rueff served in the U. S. Army for four years. He is now teaching biology at Decatur High school.

Improved Library Service Discussed

Miss Frances W. Bailey, librarian of the Jacksonville public library, was one of the speakers at the 30th annual library meeting Thursday at Beardstown. She discussed methods used by the local library in serving the city and county patrons.
Seventy-five librarians and trustees from 15 communities attended the meeting.
Rev. Joseph T. Murray, educational director for schools of the Springfield diocese, and a member of the state library advisory board, presided at the morning session. Curtis Wynn, Galesburg librarian, was in charge of the afternoon program.
Improved library service was the theme of all speakers during the day. A number of exhibits to assist the public in selecting books were featured.

Carrollton Club Has Ladies Night; Magician Featured

Carrollton—Orthello the Great, a magician, was the feature at the annual Ladies Night held by the Carrollton Lions club Thursday evening in the dining room of the Presbyterian church. The magician was assisted by his wife in his feats of magnetism and hypnotism. He was also assisted in some of his stunts by the Rev. Gerard Gaillard, Judge G. K. Hutchens and Alva Meek, members of the club. The magician was brought here through the efforts of B. Cassidy, the program chairman.
The Greene County Rural Youth League will have a wiener roast Tuesday evening at the Lions Club Park in White Hall. The members will gather in the Farm Bureau hall before assembling at the park.
The spring meet of the Greene Association will be held Saturday and Sunday, May 22 and 23 at the Greene County Fairgrounds.

Boyle's Column The Man Who Said 'No'

By Hal Boyle
New York—(P)—The United Nations is losing its biggest drawing card this summer with the departure of Andrei Andreievich Gromyko, the "oldest young man in the world." Lake Success won't be quite the same without the black-browed Russian delegate, a boy wonder of the diplomatic world. Perhaps no man has his age in history ever said "no" on more major issues in so short a time.
He put his "noes" into the record so often that even the news chroniclers are mixed up in the box score. One morning newspaper here put the total at 22 putouts and an assist from Andrei A. Vishinsky, who set the Soviet pattern with the first veto, delivered in London.
"Thunder" in Nickname
Gromyko—whose nickname "Grom" means "thunder" in his own language—merely announced he was going home to Moscow for his first vacation in three years. Other diplomats here believe, however, his departure may signal his elevation to an even higher policy-making status in the Soviet structure.
At 38 Gromyko already has behind him a brilliant career in world diplomacy, most of it spent in the United States. He came here first in 1939 as counselor to the Russian embassy in Washington. In 1943 he became ambassador himself, perhaps the youngest man—only 34—ever to represent a major power here.
He replaced the veteran and friendly Maxim Litvinoff, and some observers at the time saw in his appointment brooding off of the Soviet Union's relations toward the western powers. Little has happened since to dispel that belief.
Diligent and aloof, "the Grom" became a standout attraction of the United Nations sessions after he took his famous walk during the Security Council's deliberation of the Iranian problem.
It was always an occasion when he said no. Sometimes he did it with a clipped "nyet." Sometimes he did it with a 40-minute address, delivered either in English or Russian, in a deep, bear-bass voice rumbling with a tone of ancient wrong.
Autograph Bait
Society matrons and bobby-soxers waylaid him in the corridors to get his autograph. These attentions at first annoyed, then began to amuse him—and at the same time vexed a number of delegates from other countries.
Gromyko's taciturnity thawed somewhat outside the council hall, but there was no relaxation of his iron mood in debate. His vetoes continued.
Suspicious and often critical of the American press, Gromyko now and then has joked with newsmen assigned to the United Nations. Once, after he had declined comment on several questions, a reporter said lightly: "Well, Mr. Gromyko, maybe you can answer this. Where can I get some vodka?"
Americans read more newspapers per capita than the people of any other country.
More than 40 per cent of Americans over 16 years old buy daily newspapers.

The Japanese Priest Said: "DOMINUS VOBISCUM"

It was early Sunday morning in Tokyo. A cosmopolitan congregation had assembled in the Catholic church for the first Mass of the day. Along with the Japanese present, there were English, French and Portuguese sailors, the family of a Belgian diplomat, Filipino business men and a sprinkling of U. S. Military Police.

The Japanese priest was compelled to start the service without an assistant to answer the prayers. He had hardly begun the Mass, when a burly GI rose from his seat, walked to the altar and took the place of the absent server.

"At first," he said afterwards, "I felt a little strange serving a Jap priest in a Jap church. But after he turned around and said in Latin: 'Dominus vobiscum!'... I felt just the way I did when I served Father O'Malley in our church back home."

Dominus vobiscum! "...The Lord be with you!" How familiar and homelike those Latin words sounded... to the English, the French, the Portuguese, Belgians and Filipinos... for they had heard them Sunday after Sunday in their own church at home.

Despite their language differences, each could follow the prayers of the Mass... and the actions of the priest. For each had a double-column prayer book—one column in Latin, one in his native language.

Many services of divine worship in the Catholic Church are conducted in the native language of the people. But the Mass... the official and world-wide act of Catholic worship... is generally conducted in Latin because this dead language never changes and is most appropriate to express the fundamentally unchanging worship instituted by Christ at the Last Supper.

Perhaps you have heard Catholics speak of the Mass... or have seen them thronging to Mass on Sunday and other days. If you would like to know more about the Mass... and why the Mass attracts millions of Catholics to church regularly... we will be happy to send you a free pamphlet explaining the Mass and reasons behind it in a clear-cut manner. Write today... ask for Pamphlet No. 6-N.

Miss K. Compton Ralph Womack Wed On May 6

Bluffs—Announcement has been made of the marriage on Thursday, May 6, of Miss Katherine Compton, daughter of Mr. and Mrs. U. L. Compton, and Ralph Womack, son of Mr. and Mrs. Fred Womack of Villa Grove. The Rev. H. H. Koppelman officiated at the single ring ceremony.

The bride wore a light blue dress with white accessories and a corsage of pink roses. The bridesmaid, Martha Sandman, a sister of the bride, wore a pink dress with a corsage of white roses.

The groom was attended by Ted Ellis of Villa Grove. Both men wore dark business suits with white carnation boutonnieres.

Mr. and Mrs. Womack left after the ceremony for a wedding trip through the Southern states.

Couple Pledge Vows At Church In Alexander

In a lovely and impressive wedding ceremony which took place Saturday morning at nine o'clock in the Church of Visitation at Alexander, Miss Marian Bender, daughter of Mr. and Mrs. G. W. Bender of Alexander, became the bride of T. Joseph Doyle, son of Mrs. Catherine Doyle, 1135 South Clay avenue.

The vows were received in a double-ring service performed by the pastor, the Rev. Father Robert J. Eager, who was also celebrant of the nuptial high Mass which followed. Robert Berschneider, Joe Hermes, P. J. Kaistr, Jr., and Dickie Hermes were the acolytes.

For the wedding occasion the main altar of the church was banked with mixed bouquets of garden flowers, effectively arranged amidst a setting of lighted tapers.

Organ Prelude

Proceeding the ceremony a fifteen-minute organ recital was presented by Myron Layendecker, Springfield. The Guardian Angel Mass was sung by the church choir. Miss Emma Berschneider, cousin of the bride, sang "Ave Maria" by Kahn at the offertory and "Panis Angelicus" by Cesar Franck at the communion. "On This Day, O. Beautiful Mother" was sung by Miss Berschneider as the bride placed a bouquet on the altar of the Blessed Virgin.

The traditional gown of gleaming white satin was worn by the bride, who was given in marriage by her father. The gown was made entrain and was fashioned with long sleeves tapering to points over the wrists, and a shadow-sheer yoke edged with wide lace and enhanced with a pearl decor.

The fingertip veil of sheer Swiss illusion was edged with three rows of hand tucking and was held in place by a Queen Anne bonnet, adorned with orange blossoms. A single-strand of pearls was worn by the bride, and she carried a bouquet of white roses centered with vanda orchids.

Attended By Sisters

The gowns of the two honor attendants, Mrs. Leonard Kramp of Springfield, matron of honor, and Miss Elizabeth Bender of Alexander, bridesmaid, both sisters of the bride, as well as that of the little flower girl, Miss Kitty Shaughnessy, were styled identically with square necklines, featuring small roll collars, self button trim in back, and side pannier drapes.

The gown worn by the matron of honor was of a mile green shade while the bridesmaid's gown was of a delicate violet. The flower girl wore yellow. Each wore matching gauntlets and hats of matching net, styled with open crowns and large brims, and trimmed with large bows of ribbon.

John Doyle, brother of the bridegroom, served as best man. The groomsmen were Carl Kaiser of Alexander, Paul Wagner and Lee Tarzwell, both of Jacksonville, seated the guests.

For her daughter's wedding, Mrs. Bender chose a gray suit, with which she wore accessories of navy. The bridegroom's mother was attired in a two-piece dress of pale blue with matching accessories. Both wore cor-

sages of pink roses.

Reception in Afternoon

Following the wedding a breakfast was served at the Dunlap hotel for members of the wedding party and their guests. Guests were formally received from two to four o'clock in the afternoon at the country home of the bride's parents.

Garden flowers were used throughout the Bender home. The serving table was centered with a three-tiered wedding cake, flanked by lighted tapers. Assisting with the serving were the Misses Vonna Constant, Betty Ballance, Peggy Shea, Virginia Stillwell and Marge Langen, all of Springfield.

As the couple left for a brief wedding trip the bride was costumed in a French blue suit of wool crepe. With this ensemble she wore accessories of navy and a corsage of vanda orchids, taken from her bridal bouquet.

Upon their return, the couple will reside at 1127 South Clay avenue. The bride was graduated from Ursuline Academy in Springfield and from the Illinois Business college. Until recently she had been employed at the J. W. Hobbs Corp. in Springfield.

Mr. Doyle is a graduate of Route high school and Illinois college. He is a partner in the insurance firm of Colton and Doyle.

Varied Program Given For Junior Woman's Club

The program given Thursday evening at the regular meeting of the Jacksonville Junior Woman's club, held at the Dunlap hotel, featured vocal selections by a quartet composed of Joe Hill, Paul Rust, Bob Faulkenburg and Bill Rupel, all of Illinois college.

A dramatic recitation was given by Dorothy Foote. A trio, composed of Phyllis Carter, Teena Rust and Betty Rust, also presented vocal had charge of the program.

During the business session the following appointments were announced by the new president, Mrs. Margaret Graves, publicity chairman, Mrs. Mary Herr, social chairman, Mrs. Ruth Ranson, and contact chairman, Mrs. Jo Davis.

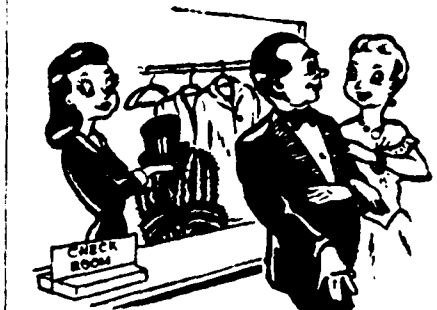

Mrs. Jo Davis and Mrs. Dorothy Peabody were also announced as delegates to the state convention which will be held at the Sherman hotel in Chicago on May 16, 17 and 18.

The new president presented a gift to Mrs. Eulah Ryan, in recognition of her services as president of the club. Plans were formulated for the next club event, a picnic at Nichols Park on Thursday, June 10.

Guests at the meeting included Elizabeth Alred, Mary Helen Wagner, Inez Aber and Isabell Husted. The hostesses were Mesdames Eula Hudson, Sophia Beerup, Roberta Kraushaar, Ruth Murgatroy and Ruth Miller.

I will be at my home, 1701 S. Main from 10 a. m. until 5 p. m., beginning Monday, May 17, to dispose of household furnishings.

Our Share Of Budget Would Be Ten Million

If congress passes the \$39.7 billion budget requested by the president, Morgan county taxpayers' share would be \$10,850,000.
This is over seven times as much as the \$1,377,000 collected in Morgan county in 1947 to pay the costs of schools and city and county government. The figures were revealed Saturday in a comparison of federal and Illinois taxes published by the Illinois State Chamber of Commerce.
The State Chamber's tax department, pro-rating Treasury department figures, estimates that on the basis of the state's income, a federal budget of \$39.7 billions for 1948-49 will require the people of Illinois to pay \$3.1 billions in federal taxes. This includes the individual income tax, corporation income tax, and all other taxes collected by the Bureau of Internal Revenue.
The total is seven times the amount of all taxes paid to the State of Illinois. It is also about seven times the amount of total property taxes enacted in 1946 and payable in 1947 for cities, schools and all other units of local governments.
This burden might be eased, the State Chamber says, if congress carries out its proposal to reduce the president's budget by \$2.5 billions. This amount, approximately for six per cent of the total requested, would mean a saving of \$190,000,000 for Illinois taxpayers, which is considerably more than the \$165,000,000 in property taxes paid to all local governments outside Cook county in 1947. Property taxes are almost the entire source of revenue for teachers' pay, school operation, fire, police and health protection, street maintenance, garbage disposal and other services performed by local governments.
The State Chamber reports that as congress sets the federal spending pattern for 1948-49, a major issue is the total amount of money involved.
"Though congress has declared itself in favor of a cut to a ceiling of \$37.2 billions, there are signs the roof won't hold," the State Chamber explains. The report then compares the share of federal costs to the local government costs paid by taxpayers in each of the 102 counties in Illinois.

GRAINS BACK DOWN AFTER GETTING OFF TO GOOD START

Chicago, May 15.—(P)—Grains started off steady today but backed down before the close. Losses were substituted for early fractional gains. The decline followed a let up in short covering May contracts. In part, the selling represented week-end profit-taking.

Trading was at a moderate pace throughout the session. Some of the early steadiness reflected firmness in stocks at New York. However, the grain market did not show any pronounced response to the excitement in stocks, either from the standpoint of volume or prices.

Wheat closed 2 to 3 1/2 lower, May \$2.45 1/2-\$2.45, corn was 11-3 1/2 lower, May \$2.20 1/2-\$2.20, oats were 1 lower to 1 1/2 higher, May \$1.62 1/2, and soybeans were 1 to 2 cents higher, May \$4.06.

Receipts of grain in carlots here today: wheat 13; corn 56; oats 20; rye 2; barley 30, and soybeans 5.

Chicago Cash Grain

Chicago, May 15.—(P)—No wheat. Corn No. 2 yellow 2.38 1/2; No. 3 white 2.50 1/2.

Oats No. 1 heavy mixed 1.24; No. 1 white 1.23.

Barley malting 2.25-50 nominal; feed 1.75-91 nominal.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, May 15.—(P)—Hogs, cattle and sheep were all nominally steady today with hogs being quoted at from \$16.25 to \$21.50.

With more new crop hogs arriving, demand for swine shifted to heavier weight offerings this week. Weights over 270 pounds jumped 50 cents to \$1.00 while light types sank 25 to 50 cents.

Highest prices in history were paid for common, medium and low grade steers and yearlings this week. In contrast, choice types had difficulty in finding an outlet. Demand for dressed beef was strong and marketing of live animals was small.

Two loads of Colorado woolled lambs brought \$38.50 this week, highest price in history at this market. Record prices also were paid at some other terminals as receipts everywhere fell well under a week and a year ago.

the inflation pot boiling for some time to come.

Action of the Dow-Jones industrial average Friday in piercing the 1947 resistance level confirmed to Dow theory followers that a real bull market is under way.

Labor disputes, including the Chrysler strike, again failed to depress stocks concerned.

New York Stock Market

New York, May 15.—The heaviest buying in years swamped the stock market today and put leaders up fractions to 2 or more points at new highs since 1946.

The high speed ticker tape was as much as 13 minutes behind actual floor transactions during a long part of the short session, a record since the boom days of 1929.

Volume was so huge that the stock exchange was compelled to print "flash" quotations from the start. Transfers for the two hours or around 3,000,000 shares were the largest for any Saturday since 1933. They compared with 640,000 a week ago. Blocks running to 21,000 shares were numerous.

Brokers reported an avalanche of orders from all sections of the country which frantic clerks had the greatest difficulty in handling.

The forward swing was in evidence from the start. Some selling appeared toward the last and top marks were reduced here and there near the close. The pace also slackened a bit.

Speculative and investment urgency still was attributed mainly to the belief that governmental spending at home and abroad will keep

Why a Beautyrest at \$59⁵⁰ is your biggest mattress bargain

There are two different kinds of inner-spring mattresses. The ordinary kind and the Beautyrest.

What's the difference? Let's look inside.

This is what happens inside the ordinary mattress when it's pressed down.

Beautyrest is built to stand more wear than most other mattresses too—and "torture tests" made by the U.S. Testing Co. prove it! In those tests, Beautyrest lasted for longer than any other mattress tested! Best quality for you!

Because the coils in an ordinary mattress are all joined together, when one goes down, others joined to it must follow. This causes the uncomfortable sags and hollows often found in such mattresses.

But see what happens inside a Beautyrest when it is pressed down!

There's nothing you can buy at this price that will give you the enjoyment and honest-to-goodness comfort of Beautyrest. And, when you consider its 10 YEAR guarantee, the actual cost to you for luxury sleep each night is even less than the cost of your daily newspaper. Where can you buy so much personal comfort... so much luxury... for so little? Order your Beautyrest now!

A perfect companion piece is the matching box spring... the ideal foundation unit... gives better support... more comfort... and is easy to keep clean.

Only Beautyrest can offer you all this!

- 837 individually pocketed coil springs—each in its own secure muslin pocket.
- Patented "no-sag" edges.
- 8 side ventilators—to help keep interior fresh.
- 4 sturdy, reinforced cord handles.
- Smartly tailored French edges.
- Choice of many attractive, durable cover fabrics.
- Ten-year guarantee against structural defects.

Roodhouse Girl, Alsey Man Wed In Paducah, Ky.

Mary Elmer, daughter of Mr. and Mrs. Martin Laffey of Roodhouse, and Estell (Bill) Workman of Alsey were married at Paducah, Ky., on May 11. The vows were received by the Rev. Mr. Parker of the First Christian church of that city.

Attending the couple were Evelyn Woodall of White Hall, sister of the bridegroom, and S. G. Ward of Paducah.

The bride wore a brown dress, with matching accessories. A two-piece dress of green, with white accessories, was worn by her attendant.

Mr. and Mrs. Workman will make their home in Roodhouse.

Amvet State Officials Inspect Hospital Here

Deeply interested in state services for mentally disabled veterans, about 20 Amvet officials attending the organization's state convention in Springfield made a special trip to inspect special veterans' facilities at Jacksonville State hospital Saturday morning.

Heading the delegation were State Comdr. William J. Kelley and Charles Baranyi, Jr., Amvet state service officer, both of Chicago. The tour was made at the invitation of Director Cassius Poust of the Illinois Department of Public Welfare with Guy E. Bonney, department superintendent of veterans' service in charge.

The group comprised the Amvet's state rehabilitation committee members, post, district and division service officers and representatives of the organizations auxiliary.

On arriving at the hospital, Mr. Bonney was assisted by George Vasconcellos, hospital service officer, in showing the visitors about. They inspected the new 300-patient diagnostic and treatment building, now partially in use and nearing completion under the states ten million dollar veterans hospital construction program at various institutions.

They also observed and chatted with veterans having their luncheon, cafeteria style, at the hospital and inspected the patients' wards and occupational and recreational facilities.

The Amvet officials were informed by Bonney that completion of the Jacksonville hospital's diagnostic and treatment building will raise the institution's facilities for veterans to a capacity of 750.

"Currently the state is caring for about 400 mentally disabled veterans here at Jacksonville," Bonney pointed out. "Throughout Illinois, however, the state, through its welfare department, is caring for a total of 1,615 veterans in mental hospitals. In addition, 1,039 other veterans have comfortable accommodations at the Illinois Soldiers and Sailors' home in Quincy."

NOTICE TO TAXPAYERS

Give your car this Springtime QUIZ

- Does it have proper lubrication for warm weather driving? Good lubricants cost less than repairs. Engine, transmission, rear axle, chassis, wheels and other vital spots need regular attention... particularly when the seasons change.
- How are your brakes? Can you stop your car in the required distance? Otherwise brakes may need adjusting, new lining or fluid.
- Is your car wasting gas? An excessive appetite for gasoline may indicate faulty spark plugs—in need of cleaning or replacement. Distributor points and ignition timing may also need our timely attention.
- How long since tires were switched? To stretch wear and provide greater mileage, tires should be switched every 2,000 to 3,000 miles. Front tires to rear wheels. Rear tires to front wheels. Uneven wear may indicate that scientific re-alignment of wheels is needed.

WHY take chances? Let our specially trained mechanics give your car a springtime check-up! They spot minor troubles before they grow big. Parts are factory engineered and inspected. Equipment and methods are up-to-date. Service is prompt. Drive in today!

JET-PROPELLED CHICKS

You'll think you have 'em when
you use Dr. Schaub's REN-O-SAL as a GROWTH STIMULANT.
These chicks really get up and
grow with REN-O-SAL in their
diet. It's an easy-to-use drinking-
water medicine—just drop 2 tab-
lets in each gallon of water. Use
it right from the start of the
chicks' lives. REN-O-SAL at a higher dosage
is also effective for preventing
the spread of coccidiosis in the
flock. Keep it handy for this
purpose.

Can Provide Sponsors For Derby Contestants

Boys planning to enter the annual
All-American Soap Box Derby, who
have delayed registering for lack of
a sponsor, are urged to file their
entry applications immediately.

Frank L. Goin of the Cornbelt
Chevrolet Company, which together
with the Journal Courier is sponsoring
the race, said Saturday that
sponsors can be provided for any boy
desiring to enter the race.

Mr. Goin again stressed the im-
portance of completing registration
as soon as possible. Already twenty-
two boys have signed up to compete
in the local race which will be staged
here on Sunday, July 18.

A member of the Exchange club,
which has charge of arranging the
race, will be appointed to each boy
to supervise the construction of his
car.

The wheels for the racers have
been ordered and should arrive the
early part of next week. The expense
of the wheels is usually taken care
of by the boy's sponsor.

Besides the loving cup which will
be awarded to the winner, many
other valuable prizes are offered.
The Shell Oil company will present
a trophy to the boy who runs the
fastest heat.

Registration is being conducted
daily at the Cornbelt Chevrolet com-
pany. All boys between the ages of
11 and 15 are eligible to enter. It is
necessary that they be accompanied
by one of their parents at the time
of registration.

Dubiel And Phillies Blank Giants, 7 to 0

Philadelphia, May 15.—(AP)—Walter Dubiel's shutout pitching combined with some loose fielding by the opposition gave the Philadelphia Phillies a 7-0 victory over the New York Giants Saturday.

Dubiel, former New York Yankee, allowed only three hits in gaining his first National League victory. The Giants helped him along by committing five errors to present the Phils with six unearned runs.

Kerr, fine fielding shortstop, who established a record last year when he went through 68 consecutive games and handled 383 chances without an error, made three of the Phils' miscues.

Errors by Buddy Kerr and Jack Lohrke, followed by singles by John Blanton and Dick Slater and a double by Bama Rowell gave the Phils four unearned runs off starter Larry Jansen in the third. Lohrke's second error figured in the Phils' two runs in the fourth.

Clint Hartung, who replaced Jansen in the fourth, held the Phils scoreless in all but the seventh inning when three singles plus Kerr's third bobbie gave the winners their last tally.

Reds Snap Struck
Chicago, May 15.—(AP)—The Cincinnati Reds snapped a losing streak at eight straight, defeating the Chicago Cubs, 5 to 2, here Saturday, and snap their losing streak at eight straight.

Herman Wehmeier, 21-year-old rookie who has been with the Reds for part of three seasons, registered his first big league victory. However, he was routed in the sixth and had to be rescued by Harry Gumbert.

The Cubs collected eight hits off Wehmeier, including a home run by Bob Scheffing, and added two more off Gumbert. Babe Young poked the Reds with a single, double and triple.

Jarvis Edge Runs
Brooklyn, May 15.—(AP)—Jim Russell and Warren Spahn collaborated to lead the Boston Braves to a 4-0 victory over the Brooklyn Dodgers before 14,589 Ebbets Field fans Saturday.

Russell slammed his third home run of the season off righthander Rex Barney with two out in the first inning to provide Spahn with a one-run margin. It was Boston's third straight shutout win.

Spahn protected this slim lead by holding the Brooks to four hits for his second win, both via shutouts. He walked only one. No Dodgers reached third.

Barney gave up five hits in eight innings.

LaGrange Takes Title In State Track Meet
No Jacksonville area performers placed in any events at the state track and field meet Friday and Saturday, according to summaries released by the Associated Press.

Champaign, Ill., May 15.—(AP)—LaGrange maintained Chicago area's stranglehold on state high school track titles Saturday by beating out Sterling 15 points to 13 for the 1948 crown.

Sterling played the dark horse role efficiently enough to lead 13 to 12 as the last event of the meet was held, the 880-yard relay. The downstate hope was shut out in the baton race, which was run in a series of heats with best times determining the winners.

Rex Mavs Takes Pole Spot In 500-Mile Race

Indianapolis, May 15.—(AP)—Rex Mays, who has entertained a lot of racing fans and burned up a lot of automobiles, Saturday won the number one starting position for the 32nd annual 500-mile race May 31st.

Fourth Time
It was the fourth time Mays had won the pole position for the memorial day sweepstakes. No other driver has held the pole more than twice.

The heavy-footed Glendale, Calif., driver took the 10-mile test at an average of 130.57 miles an hour, the second fastest qualification run in Indianapolis speedway history. His high average was the best ever posted for the first day of time trials.

Mays had started in 11 races and finished only three. He was second in 1940 and 1941 and sixth last year. Ralph Hepburn, who set the qualification record of 133.944 miles an hour in 1946, took several warm-up laps in a Novi special but didn't get to the starting strip in time to challenge Mays for the pole position.

Rose-Holland In
Mays turned in his near-record qualification after the one-two combination of 1947 apparently had taken over the first two spots in the starting lineup. Mauri Rose, South Bend, Ind., last year's winner, had qualified his blue crown spark plug special at 129.129. Second-place Bill Holland, Reading, Pa., qualified the other blue crown at 129.315.

Nine cars altogether passed qualification tests for the 33 starting positions. Jimmy Jackson of Whitewater, Calif., second in 1946 and fifth last year, took the inside spot in the second row. He qualified the new Howard Keck special at 127.510 miles an hour. Ted Horn of Paterson, N.J., American Automobile Association driving champion, was next best with the Bennett brothers Maserati at 126.365.

Blueboys Sixth In Golf Meet
Elmhurst, Ill., May 15.—(AP)—North Central captured the college conference of Illinois golf championship by a four-stroke margin over Millikin in a two-day tournament played over time trials course.

Led by Don Darfner, whose 189 for the 36-hole test left him runner-up for the individual title, the Cardinal quartet turned in a team score of 655.

Ed Sawyer of the dethroned 1947 champions, Lake Forest, annexed the individual title with a brilliant second-round 74 added to his 86 on Friday for a 160 total.

Elmhurst was fourth with 673. Other team scores: Augustana, fifth, 692; Illinois College, sixth, 701; Carthage, seventh, 711; Illinois Wesleyan, eighth, 723; and Wheaton, ninth, 794.

Myers Bros. Edge Dealers 6 To 5 In Friday Game

A last inning implement Dealers rally fell one run short last night at the Nichols Park softball diamond as Myers Bros. took a close 6-5 decision in an AA league practice game.

The tilt was the last on a three-game American Legion of the AA league in the second game, 16-10, while the VFW handed the Moose a 12-2 licking in an A loop opener.

The Implement Dealers, a new young AA league entry, were behind most of the way in the exciting finale, but kept nipping at the heels of the veteran Myers aggregation. The Dealers scored two runs in the last of the third to take a momentary 3-2 lead, but fell behind again 4-3 in the top of the fourth.

Myers Bros. led 6-3 going into the last half of the fifth and final inning, but a combination of hits, a walk and an error put the Dealers within striking distance. Pete Lynn, Myers hurler, came through with a fine clutch performance to protect the victory, however.

Lynn allowed five hits, while Myers Bros. got 10 off Heaton, Heaton, who was with the Murraville aggregation last time out, kept the blows fairly well scattered with the exception of the first and last frames.

Line score:
Myers Bros.....200 22-6 10
Dealers.....102 02-5 5 2

"Hump" Campbell had control difficulty in the second game, and the American Legion capitalized upon walks and errors to make a race track of the base paths. Campbell VFW hurler, allowed only seven hits, but the Legion used skillful base running to move around after gaining first on walks.

Blekeman, Legion starter, allowed one hit in two innings. And Bryan, who came in in the third, struck out three straight.

Line score:
Legion.....628-16 7 0
V.F.W.....000-0 1 4

Playing in their own league, the VFW's were much more successful as they used 12 base hits to take a 12-2 win over the Moose. The Moose and Clayton held the record a total of two safeties and had no errors.

Clements was the losing hurler, being handicapped by six errors. Line score:
Moose.....000 11-2 2 6

Athletics Take Two From Yanks, 3-1, 8-6

New York, May 15.—(AP)—The Philadelphia Athletics solidified their hold on first place in the American League Saturday by knocking out the New York Yankees in both ends of a double header 3-1 and 8-6.

A near-capacity crowd of 40,410, largest ever to see a Saturday baseball show at the Yankee Stadium, saw the A's snuff out a ninth inning threat by the Yankees to come through with the twin victory.

Trailing 4-4, the Yankees scored two runs with two out in the ninth and had the bases loaded as Phil Marchiondi faced lefthanded hitter Yogi Berra. The Yankee catcher fouled out to first baseman Rudy York to end the game.

The double win increased the A's lead over runner-up Cleveland to a game and a half. The third place Yankees trail Cleveland by a game. Joe Coleman outpitched Frank Shea to cap the opener.

Perris Paine's first homer of the season broke up a scoreless duel in the seventh.

Hank Majeski, former Yankee, spearheaded the Athletics' 10-hit attack in the second game. He drove in five runs with a single and his fourth homer of the season to increase his RBI total for the season to 24. Joe Page, who relieved starter Red Emmerie with the score tied at 4-4 in the fifth, was charged with the loss, his first of the season. Marchiondi went all the way to register his fourth victory against one loss for the A's.

Tigers Win 1st At Home
Detroit, May 15.—(AP)—Behind the strong right arm of Dave Trout, the Detroit Tigers beat the St. Louis Browns 4 to 1 Saturday for their first victory in seven games on their home lot this season.

Trout scattered eight hits for his third victory and struck out six men—four of them in a row—as the Tigers backed him up with four double plays.

Detroit got eight of its nine hits, and all its runs off rookie Ned Garver before the Browne righthander departed in the sixth to his second defeat.

Vic Wertz, Tiger outfielder, drove in two runs with a single and his first homer of the season.

Indians Lick Chicks
Cleveland, May 15.—(AP)—Sparked by Bob Feller's six-hit pitching and home runs by Ken Keltner and Joe Gordon, the Cleveland Indians spanked the hapless Chicago White Sox 7 to 1 Saturday before a Ladies' Day crowd of 33,814.

In registering his fourth win of the season against two losses, Feller didn't give up a hit until the fifth when Dave Philley doubled. The Tribe fireballer lost a shutout in the seventh when Chicago strided its lone run without the aid of any hits. Feller walked Aaron Robinson and Philley, the first two batters to face him in that inning. An infield out advanced both runners and Robinson scored on Cass Michaels' fly.

Keltner and Gordon connected for their home runs in the seventh. Keltner, the major league leader in the homer department, registered.

Springfield Team Here Sunday Night For Game
The Jacksonville Recreation club breaks out Sunday night with its first "pay-night" attraction at the Nichols Park softball diamond. Holding the feature roles will be the Fix-It shop of Springfield, a perennial early-season opponent for Jacksonville teams, and the defending Jacksonville champions, the American Legion.

Rated Even Stronger
The Fix-It shop team, which every season gives one or more Jacksonville teams a run for their money, is rated even stronger than last season, when it battled all the way to the wire for one of the two capital city softball titles.

The American Legion gave a convincing demonstration of power in its start last Sunday night, rocking the Phils 12-4 in a city loop practice game. Legion Manager Leo Shay seems to have an outfit which has been punched at the plate than last season. And Bryan and Blake-Granite City in a single game at 8 p.m.

Dinner-Dance Honors Senior Class At ISD

College Greetings Holds Breakfast This Morning

The annual farewell dinner-dance honoring the senior class of Illinois School for the Deaf was held last night at the Dunlap hotel. Nearly a hundred faculty members and students attended.

William Bjorklund, a junior from Hoopeson, served as toastmaster. He was assisted by Ruby West, also a junior, from Mt. Vernon. The invocation was given by Helen Obazny of Chicago and William Yates of Savannah.

The program featured a pictorial review of members of the graduating class ten years from now. Dancing took place during the remainder of the evening.

Sponsored By Societies

The affair was sponsored by the school's three literary societies, the Mutual Improvement society, the Junior League for the Hard of Hearing and the Young America Literary and the Members of the arrangement society. Meets were Ruth Bailey, Dora Boien, Agnes Carr, Helen Dial, Mr. and Mrs. Howard Hofstetter, Eunice Hopper, William Johnson, Lorraine Kline, Charles Marshall, Harold Stark, Alice Thomas, William Traylor and Clarelhen Wilkins.

Mrs. Doris B. Orman was chairman.

Commencement exercises at the school for the deaf will be held in Bowen auditorium at 2 p.m. on Tuesday, June 1. Stanley D. Roth, superintendent of the Kansas School for the Deaf, will deliver the commencement address.

Members of Senior Class

Members of the graduating class are Eleanor Armato, Rockford; Betty Ashton, Pekin; William Boyd, Bridgeport; Ronald Chinski, Kankakee; William Demo, Waukegan; Marjorie Filion, Peoria; Dolores George, Stillwell; Walter Hogan, Peoria; Jacob Hoogewerf, Lansing; Wendell Hucak, Joliet; Ralph Hunt, Chicago; Andrew Kane, Chicago; Martin Keller, Chicago; Joseph Nemecsek, Chicago; Kathleen Nolan, Forest Park; LeRoy Padal, Chicago; Edward Pryor, Vienna; Anthony East, Chicago; Regina Schinzing, East St. Louis; Hannah Takagi, Chicago; Dolores Terry, Chicago; John Van Nor, Jacksonville; and Hubert Welborn, Dallas City.

Class advisors are David Mudgett and Eloise Kennedy.

M'Murray Players Initiate Seven New Members

Seven new members were accepted at the formal initiation of the National Collegiate Players of MacMurray College Tuesday evening. The ceremony was read by the retiring president, Betty Davis, who presented organization keys to Eleanor Adams, Jeanne Collins, Carolyn Kirkwood, Mary Jane Loneragan, Mary Ann Mittlestead, Jane Olander and Perol Vaughn.

Miss Vaughn was elected president of the group and Miss Adams was chosen secretary.

A guest at the session was Dr. Ray E. Holcombe, a charter member of N. C. P. and president of the first chapter. Others present were Mrs. Marian Schaeffer, Mrs. Charles Gray, Mrs. Howard C. Hansen, Mrs. Carol Roy Roach and the president, Miss Davis.

Former Roodhouse Teacher Will Be Ordained May 23

Roodhouse—James W. Williams, for the past two years a member of the faculty of Roodhouse grade school, will be ordained to the ministry in the church of Christ here at 3:30 p.m. Sunday, May 23. He will begin his work as pastor of the Calro Christian church on June 1.

The Christian churches of Carrollton, Roodhouse and White Hall are sponsoring the ordination. Officiating ministers will be Brother Chester Hensley, state secretary, John E. Foster, chaplain Robert Williams and the Rev. W. W. Williams. They will be assisted by elders of the three sponsoring churches.

The annual May luncheon of the Roodhouse Women's club will be held Thursday, May 20. Hostesses are Mrs. A. Battershell, Mrs. Todd, Mrs. Beck, Mrs. Ford, Mrs. M. Shaw, Mrs. Pierret and Mrs. Underwood.

Chaplain and Mrs. Robert Williams arrived Friday for a visit at the home of Mr. Williams' parents, the Rev. and Mrs. W. W. Williams. Mr. Williams and his family have recently arrived in the United States from Japan, where he has been stationed.

Edgar Brickey of Winchester, who has been a patient at Passavant hospital in Jacksonville, is now convalescing at the home of his sisters, the Misses Emma and Avenell Brickey.

Henry Brant is now a patient at the Missouri Pacific hospital in St. Louis.

Mrs. A. Pritchard of Collinsville is visiting at the home of her sister-in-law, Mrs. D. I. Hanly.

Chester Nettles of Waverly is a visitor at the home of Mr. and Mrs. Leverett Benner.

Roodhouse Baptist Class Has Meeting

Roodhouse—Members of the Philathea class of the Baptist church held a mother-daughter banquet in the church parlors on Thursday evening.

Mrs. Wanda Taylor and Mrs. Daisy Clark presented the program, which included a talk on "Mothers of the Bible" by Mrs. Leah Martin, a vocal solo by Mrs. Jean Wolfe, a piano number by Mrs. H. L. Janyrin and a reading by Mrs. Vivian Reilly.

A play was given by Mrs. Ruth Rhodes, Mrs. Hazel Bess, Mrs. Margaret Elliott, Mrs. Regina Smith, Mrs. Henrietta Fraley and Mrs. Dorothy Ferguson.

Ella M. Megginson, Charles W. Harris Wed Saturday

Miss Ella Mae Megginson became the bride of Charles W. Harris Saturday in an afternoon ceremony held at the home of the Rev. and Mrs. W. C. Meeker, 121 Westminster street. The vows were spoken at 2:30 o'clock in the presence of members of the immediate families.

The bride is the daughter of Mr. and Mrs. Peter D. Megginson of Woodson. Mr. Harris is the son of Mrs. Andrew O. Harris.

Attending the couple were Miss Betty Clark of Ashland and Darrell Ring of this city.

For her wedding the bride chose a white suit, with which she wore navy accessories. A corsage of red roses completed the outfit. Her attendant was attired in a blue suit, with black accessories. Her flowers were also red roses.

Mrs. Harris was graduated from Woodson high school with the class of 1944. Her husband was graduated from Jacksonville high school in 1941 and attended the University of Colorado. He spent three and one half years in the U. S. Navy.

After a short wedding trip the couple will be at home on a farm north of Orleans.

Amvet Committee Will Study World State Proposal

Springfield, Ill., May 15.—(P)—The state convention of the American Veterans of World War II approved a resolution today calling for study and possible national Amvet endorsement of the "movement to set up a world state."

The convention approved setting up a committee to study and recommend to the national group endorsement of the world state "based upon democratic principles."

Endorsed and supported was the Vursell-Teague bill in the national House of Representatives which gives credit for military service to those seeking civil service posts.

The convention will consider Sunday a resolution asking national Amvet headquarters to prevent peacetime drafts for periods exceeding one year and any bonus for peacetime enlistment.

The state group's annual election will be held Sunday. Nominated were: for commander—William G. Lee, Rockford; for Dr. Harry Nesmith, Salem. For senior vice commander—Howard Sprout, Brookfield; Harold Berc, Chicago and Dr. Harry Nesmith, Salem.

Also nominated were vice district vice commanders.

Traditional Dinner To Honor Seniors At MacMurray

Dr. and Mrs. C. P. McClelland will be hosts to members of the MacMurray College graduating class at the traditional formal dinner for seniors on Saturday, May 22, in McClelland dining hall. About 140 persons are expected to attend.

After dinner the graduates will be entertained at the president's home for a coffee hour, during which entertainment will be presented by Miss Lucille Haney, Mrs. Marian C. Schaeffer and Ralph Robbins.

Decorations will be in yellow and white, the senior colors, and each member of the class will receive a gift. The sophomores traditionally serve the formal dinner to their sister class.

Legion Auxiliary To Honor City's Gold Star Mothers

All Gold Star mothers in Jacksonville are invited to attend the annual Mother's Day open meeting of the American Legion Auxiliary unit 270 at 8 p.m. Wednesday, May 19, at the Legion home. Arrangements for the meeting are being made by the Gold Star and Memorial committees.

Mrs. Ruth Nettles, 20th district director, will be a guest at this session. All members of the unit are urged to bring their mothers and daughters.

Nation Promised Fair Weather This Weekend

Chicago, May 15.—(P)—Fair weather, with temperatures near seasonal levels, appears in prospect for most of the nation over the weekend.

But there were some rainy areas today, including sections of the New England states and New York and in parts of the upper Mississippi valley. The mercury climbed to midsummer marks in sections of the mountain states yesterday. Highs were in Arizona, with Yuma reporting 104 and Phoenix 103.

Peerless Baking Co. Introduces New Brand, Little Miss Sunbeam

Little Miss Sunbeam, a blue-eyed girl with rosy cheeks and blonde curls, was introduced to Jacksonville Saturday night at a banquet sponsored by the Peerless Bread company. The event, staged at the Masonic Temple, was attended by about 150 friends and employees of the company, plus a large group of visitors from the Quality Bakers of America, a national baking cooperative.

Miss Sunbeam is the new trademark of the bread produced by the local concern, which has grown in its 22 years of existence to the extent that it now services retail points within a radius of 40 miles, throughout the Jacksonville trade area.

Robert Schaus of New York City, advertising director of the Q.B.A., dramatically unveiled the original portrait of Miss Sunbeam as assistants flashed spotlights on the little girl enjoying her slice of buttered bread. The portrait, which will be reproduced on every wrapper beginning Monday, was framed by white carnations and fern leaves.

Campaign Discussed

Mr. Schaus told of the history of Miss Sunbeam and how the advertising campaign developed around her personality has promoted the sale of high-quality bake goods.

Throughout his talk Mr. Schaus stressed the importance of visual advertising and during the evening all types of newspaper and other displays were shown by Otis Berger and Lloyd Walker, local advertising representatives.

Group singing led by Y Secretary Wilson C. Jansen preceded the dinner prepared by the ladies of the Eastern Star. Mr. Wilson also pronounced the invocation.

Nate Egner was the toastmaster. The welcome was given by Robert J. Kaufman, manager of the Peerless Bread company.

Many Bakeries Represented

Among the guests were managers and sales officials of bakeries located

Delta Nu Chapter Chooses National Meeting Delegate

Mrs. Lucille Chandler, president of Delta Nu chapter of Delta Theta Tau sorority, will represent her group at the national convention in Cincinnati, O., on July 14-17. The alternate delegate is Mrs. Gracie McQueen.

More than 800 representatives of the 154 active chapters and 57 alumnae associations are expected to attend the meetings. Plans for a Delta memorial home to care for aged members of the sorority will probably be completed at this year's convention.

Delta Theta Tau was organized at Muncie, Ind., in 1903, and now has over 11,000 national members. The organization is governed by a national council and board of trustees, headed by the national president, Mrs. R. J. Shand of Springfield, Ill.

The sorority was formed for the advancement of philanthropy, and each chapter conducts charity projects in its own community, often working with the Red Cross, Community Chest and other such established agencies.

Nationally the sorority supports the mountain school at Brinkley, Ky., and furnishes "projected books" to veterans in veterans hospitals and permanent general hospitals in 11 states. During the war years the sorority established an artificial limb department in the U. S. Naval hospital at Mare Island, Calif., and at Wakeman general hospital, Camp Akeley, Ind.

Each chapter helps through a national fund to maintain the sorority mountain school, pay teachers' salaries, purchase of books and supplies, pay taxes on building and grounds and clothe the children.

Dr. James West, Former Chief Scout Executive, Dies

New Rochelle, N. Y., May 15.—(P)—Dr. James E. West, former chief scout executive of the Boy Scouts of America, died tonight. He would have been 72 tomorrow.

Dr. West died at New Rochelle hospital which he entered last night.

Hospital authorities said he had been ill for a number of years with an intestinal ailment and took a turn for the worse yesterday.

Dr. West, a native of Washington, D. C., had been chief scout executive for 32 years when he retired in 1943. He later was elected chief scout. During his tenure as chief scout executive, an estimated 10,000,000 boys and men had joined the organization.

A crippled orphan in his childhood, Dr. West took part in many programs to aid children. For this reason he was chosen as chief executive when the national Boy Scout movement was organized in 1910.

A year later he became chief scout executive.

Dr. West was a close friend of the late President Theodor Roosevelt, who named him to the Board of Pension Appeals and later made him an assistant attorney in the Department of the Interior.

Bressmer Reduces Staff Until New Location Found

Springfield, Ill., May 15.—(P)—The John W. Bressmer company, whose store was destroyed by fire, dismissed its employees today except for a skeleton staff conducting business in a bank building basement.

The store's 225 employees had been retained on the payroll since the building burned two weeks ago.

Jay Parr, Bressmer's assistant manager and personnel director, said dismissed employees were informed they would be rehired as a variable location was found for a temporary store.

Parr said several sites for temporary quarters have been considered, but none has been selected as yet.

He added that store officials are awaiting a report on the condition of structural steel of the burned building to determine whether the edifice can be refitted.

Store records had been kept in vaults and were saved from the fire. They have been removed to the bank building basement.

G.O.P. Women To Hear Judge Crampton Speak

Judge Albert M. Crampton of Moline, Ill., will be the principal speaker at a meeting of the Morgan county Republican Women's club to be held Monday at 2:30 p.m. in the Dunlap hotel. The club session will be preceded by a board meeting at 2 p.m., according to an announcement made by Mrs. June Bradish, president.

Judge Crampton, a candidate for the office of judge of the Illinois Supreme Court, served two six year terms as judge of the city court of Moline. He was elected to that post on the Republican ticket in 1931, and reelected in 1937. The judge retired from the bench in 1943, and since that time he has successfully engaged in private law practice as the senior partner of his firm.

A recognized civic leader, he has served as past commander of the Moline American Legion Post and is a member of the Elks, Turners, 40 and 8, After Dinner club of Moline, the Rock Island County Bar Association and many other organizations.

In recent years Judge Crampton has been especially active. From 1944 to 1947 he was a member of the Moline Board of Education, and in 1945 and 1946 he was elected president of the Rock Island County Bar association. Since 1945 he has been a member of the Board of Governors of the Illinois State Bar Association, representing the Fourth Supreme Court District.

Geil Ranson of Jacksonville is campaign manager for Judge Crampton in his candidacy for the State Supreme Court post.

Musical Program

Fred Ruppel, a voice pupil of Joseph Cleeland at the Illinois Conservatory of Music, will present the musical portion of the program.

This will be the last meeting of the group until the club picnic in August.

Mrs. W. C. Calhoun of Franklin will be social chairman of the Monday gathering.

By the president's hold and statesmanlike act, the Jewish state starts life under the most favorable auspices. The greatest nation in the world has given its sanction to the creation of the newest nation.

"Good morals require us to lend our material help to free nations menaced by aggression. Now that the new Jewish state has achieved recognition, and the British mandate has ended, the time has come to remove the embargo on the shipment of arms to that country."
